

**Real Estate Graduate (RICS)
Birmingham
£20,000 - £25,000 + route to APC + benefits**

Working with a national property consultancy based in central Birmingham. The organisation is an award winning and industry regarded commercial chartered surveying practice. They are looking for a full-time Real Estate Graduate to support the property function at their Birmingham HQ.

As a graduate in real estate, you will assist in the delivery of property services to a portfolio of commercial clients. Assisting with client development and delivery of services, you will help to identify new business opportunities whilst promoting the brand. The opportunity is working predominately as a commercial agency but with some involvement in valuation, management, landlord & tenant and professional services for private and public sector clients.

In return you will receive a basic salary of £20,000 - £23,000 per annum plus a competitive benefits package. You will join a market leading property consultancy at an exciting time with clear routes for progression within the business.

Are you seeking full membership of RICS? Do you have an accredited qualification to undertake the APC training?
