

**Chartered Rural Surveyor
£30,000 - £35,000 + Benefits
Near Warminster**

We are working with a regional firm of Estate Agents, Valuers and Land Agents, with over 10 offices across Gloucestershire, Somerset and Wiltshire who are recruiting for a Chartered Rural Surveyor for the business's office near Warminster.

The business has grown massively in recent years, thanks to the diverse nature of the business and the loyal clientele they work with.

Working with one of the firms Senior Partners you will take on a wide variety of Rural work, offering advice to private and institutional clients including valuations, rural finance, landlord and tenant advice, diversification, compensation, planning and subsidies and more.

To be considered for this role you will be a MRICS Surveyor with experience operating across the Wiltshire & Gloucestershire regions and be driven and ambitious to get promoted to partner level inside 5 years.

In return you will receive an attractive base salary + benefits package along with the opportunity to work within a growing business that promotes autonomy and offers a first-class working culture.
