

**Rural Surveyor
Worcester
c£40,000 + Benefits**

This well-established firm of Chartered Surveyors has a rich history and an exciting future. The business is growing rapidly and is looking to add a Rural Surveyor to their Worcester operation. This is an exciting opportunity to work with a leading local firm in a position that will offer lots of opportunity for progression.

Acting on behalf of a range of clients you will be responsible for providing day to day and strategic management of rural portfolios throughout the region. In addition, you will work closely with existing customer, providing advice, support and guidance on all rural & agricultural surveying matters.

To be considered you will need to be an MRICS surveyor, with experience operating in the rural / agricultural sector. It's important you have a proactive approach to work and a willingness to get involved in strategy by putting forward ideas.

In return, you will receive a competitive salary and benefits package, the opportunity to work flexibly and an opportunity to progress your career through to partner level.
