

**Asset Manager
Birmingham
£50,000 - £60,000 + benefits**

One of the UK's leading client-side property companies with an extensive portfolio across retail, industrial, office and mixed used are currently looking for an Asset Manager to look after a varied portfolio of assets. With an impressive HQ near Birmingham, the organisation is investing heavily and growing at an impressive rate. This is an opportunity for a motivated individual who takes pride in adding value and effecting change.

Taking responsibility for the performance of a mixed commercial portfolio, you will be tasked with maximising revenues and minimising costs. You will own the strategic delivery of the property plan, focusing on rent reviews / lease renewals, lease surrenders, re-gears and estates management. This role requires fresh thinking, adaptability and a keen desire to succeed. You will constantly be on the lookout for new opportunities to develop or add value.

In return, you will receive an excellent rewards package, full autonomy and the opportunity to progress your career.

To be considered you need to be a fully chartered surveyor with experience working in either a property or asset management capacity
