

**Residential Valuations Surveyor  
Nottingham / Leicester  
£45,000 + Package**

Joshua Robert Recruitment are working alongside a leading Surveying business based in the East Midlands Chartered Valuations Surveyor and Registered Valuer to join their ambitious and growing Valuations team.

The business has enjoyed strong success in recent years and are now looking for an ambitious Valuations Surveyor to really drive forward the valuations side to the business, focusing on panel management, this is a role that will lead to Partnership for the right person.

You will be working across NG & LE Postcodes, offering your expert and advice on all matters relating to Residential Valuations, Home Buyer Surveys and Reports, Schedule of Conditions and associated duties, you will be looking after an existing client base with opportunity to develop further, as such, drive, determination and a burning desire to build a successful Valuations practice are all personal attributes, key to being successful in this role.

You will be a RICS Registered Valuer and Chartered Surveyor, with experience operating across the Midlands region & further afield.

In return you will receive an annual salary of £45,000 + package and regular salary reviews, you will have a clear and defined route to partnership and the opportunity to build your own practice within an already successful organisation
