

**Property Management Surveyor
Worcester
£competitive + Car + Bonus**

A leading property company with offices in Worcester are looking for a Property Management Surveyor to oversee management of commercial property. The organisation are a UK wide business with a fantastic reputation across both the residential and commercial sectors

Reporting to the Head of Commercial the main purpose of the role is to provide day to day property management as part of the Commercial Property Management team, producing work of a high standard. The role will be varied and will be responsible for identifying asset management opportunities, contractor management, service charge budgeting, project planning, tenant liaison, lease & rent renewals.

To be considered it's important you have experience of property management within a commercial property environment. Ideally you will be MRICS or motivated to work towards this.

In return, you will work for an organisation offering excellent remuneration packages, opportunities for progression and flexible working. You will work in an environment with full autonomy to add value and make a difference.
