

**Building Surveyor / Project Manager  
Worcestershire  
c£35,000 - £45,000 + Benefits + Flexible working**

An outstanding Worcestershire based employer going through a rapid period of change and expansion is looking to add an experienced building surveyor / project manager to its well-established team.

The organisation is managing a wide variety of commercial property projects in differing sectors. The role will be to oversee building surveying and project management aspects of upcoming and ongoing projects. You will be responsible for ensuring that projects are delivered on time, in budget and to the appropriate level of quality. Delivering a positive customer experience and responding to clients' needs by providing innovative, imaginative and cost-effective solutions in a professional manner. You will undertake project management, including establishment of project aims and objectives, financial management and construction of Estates Projects.

The role will suit an experienced building surveyor with project management experience looking for a move into a flexible / autonomous position with genuine opportunity to add value. Ideally you will be CIOB / RICS qualified with a relevant project management qualification.

In return, you will work for an outstanding employer offering excellent benefits, the opportunity to work flexibly whilst progressing your career in a supportive environment.
