

**Gardener
Worcester
£17,000 + benefits**

A unique market leading FM service provider are looking for a Gardener to join a successful team in Worcester. Working closely with the Head Gardener, you will be responsible for the maintenance of the ground's services.

You will advise on the upkeep of the gardens and operationally take charge of the area, supporting the grounds maintenance contract. You will undertake horticultural operations whilst ensuring strict adherence to H&S policy. Your principal duties and responsibility are, managing all aspects of grounds maintenance, operate machinery across the grounds & advise on garden upkeep.

In return you will have the opportunity to join a fantastic and market leading business with multiple routes for career progression.

The ideal candidate will have experience in a similar Gardening role. You will have experience of basic health and safety. You will be educated to GCSE level or equivalent, ideally with an NVQ in Grounds Maintenance – although this is not essential.
