

Building Surveyor
Wolverhampton / Telford
£45,000 + car

An excellent opportunity to join an expanding regional firm as a Building Surveyor. The organisation is a market leader in the markets they operate within across multiple disciplines. They have an opportunity for a motivated Building Surveyor to join them with lots of opportunity to develop and progress through to partner.

The role is very varied and will be responsible for working on the full spectrum of building surveying and construction project work including:

- New build and refurbishment
- Project Management
- Contract Administration & Employer's Agent
- Design & specification writing
- Pre-acquisition surveys
- PPM and asset condition schedules
- Dilapidations
- Measured Surveys
- Party Wall

To be considered, it's important you are an experienced and motivated Building Surveyor with the willingness to learn, progress and develop.

In return, you will work in an autonomous environment offering flexibility, clear progression and excellent remuneration. Alongside this you will be a key part of the evolution of an exciting and forward-thinking organisation.
