

**Senior Estates Manager
Worcestershire
£50,000 - £60,000 + Benefits**

A unique property company with a significant asset base across the Midlands. This ambitious and forward-looking organisation is seeking a commercially focused Senior Estates Manager to join their expanding organisation. The role will be tasked with developing the estates team and leading on management of the portfolio.

The role will be responsible for leading the management of the estate, acting as the principal point of contact on all estate's matters. You will lead and manage the performance of a team of surveyors whilst also implementing appropriate estate management strategies.

To be considered, you will need to be an experienced property management surveyor with MRICS accreditation. It is important you are motivated to lead an estates team and add value to the department.

In return, you will receive an excellent rewards package and flexible working. As well as the opportunity to progress your career within a fun and supportive environment.
