

**Rural Surveyor - Kent
Competitive Salary + Package**

We are working with a rapidly expanding, professional surveying practice with offices nationwide who are recruiting for a Rural Surveyor.

The business has enjoyed massive success over recent years and as a result are now looking for a dynamic, professional and ambitious Rural Surveyor to join the team, taking on a wide variety of projects and rural work, including: Project management, portfolio management, Legal agreements, Agency & acquisition of land, Route & acquisition feasibility, Lease renewals, Compulsory Purchase Orders, Compensation claims + more

To be successful in this role, you will be a Chartered Rural Surveyor, have an outstanding knowledge of the rural surveying market and have been practicing in the sector for 3 years +

In return you will receive a competitive basic salary + package and the opportunity to work within a truly market leading business with outstanding employee benefits.
