

**Senior Landscape Architect
Peterborough
£competitive + bonus + additional benefits**

With several UK offices JRR are excited to be working with a well-established, multi-disciplinary practice. Boasting an impressive UK and Overseas portfolio to include multiple high profile and large-scale projects, they are now seeking an individual to join their practice who has the ambition and energy to match theirs!

Due to continued expansion, there is now an opening for a talented Senior Landscape Architect to join their growing and ambitious team in their impressive Peterborough studio.

With support from the Directors, your role will involve working across high profile and mid to large-scale projects, both in the UK and Internationally.

The successful candidate will have relevant qualifications and a good working knowledge of AutoCAD, Photoshop, In-Design and ARCGIS. You will have solid conceptual landscape and public realm design skills, experience delivering on projects and the technical experience in detailed design packages.

Alongside the skillset, attitude is paramount - You will be entrepreneurial by nature with a creative outlook. You will be passionate about and have a genuine interest in Landscape Architecture and how places change and develop.

This opportunity would suit someone who thrives in a creative, vibrant and entrepreneurial work place. The practice is offering lots of autonomy and with no 'glass ceiling' there are no limits to your own success within the practice. You will be exposed to a wide range of interesting projects and have all the support in place from the Senior Management team to help you.

If you think you have what it takes, we'd love to hear from you. Apply directly or call Donna Banks on 0121 582 0877 for further information about this opportunity.

All applications will remain completely confidential. If you are interested in this or any other Landscape Architecture opportunities, please give Donna a call on 0121 582 0877 or send your CV/Portfolio speculatively via our website.
