

**Building Surveyor
Stafford
c£40,000 + Car + Benefits**

A reputable Building Surveying consultancy and one of the fastest growing organisations in the UK are seeking a Chartered Building Surveyor to be based their Staffordshire office.

The organisation is a large firm embarking on an exciting period in the company's history. This role will offer fast-track career progression opportunities. The dedicated Building Surveying team undertakes surveys and project management schemes in addition to providing various other services, including contract administration, employer's agent, project monitoring, specification writing, condition surveys, neighbourly matters and dilapidations across a wide variety of sectors.

The business offers flexible working, highly competitive packages (including car and bonus) and lots of opportunity to develop your career within a supportive environment, with clear progression routes at every stage, including Partner.

To be considered, you will need to have strong technical capability and be MRICS or working towards this or another professional qualification. It's important you are able to manage complex projects whilst being client facing.
