

**Graduate Development Surveyor
Worcestershire
£competitive**

A local Worcestershire based firm of development consultants are currently seeking a Graduate Development Surveyor to join their team. The organisation offers professional services to a wide range of clients across the Midlands region and is currently undergoing a significant period of growth & change.

The role will be varied and will work within the development and planning team. You will prepare, submit and manage development appraisals and valuations for residential and commercial development, working closely with key clients. You will support the Development Director, representing the organisation and identifying opportunities.

To be considered you will be a motivated graduate with a relevant real estate degree within development and be motivated to work towards MRICS.

In return, you will work in an autonomous role with vast opportunity to grow, progress and develop. The organisation will offer routes to partnership within the business and highly competitive packages, including flexibility and home working.
