

**Professional Quantity Surveyor
Birmingham
c£60,000 + car + bonus**

A client-side property investor with a significant UK portfolio of industrial, office, retail and mixed used properties. The organisation is one of the UK's leading property companies, going through a rapid expansion period as they continually add to the portfolio. This is a unique opportunity to join an organisation that is going places.

You will manage cost modelling and collation of feasibility schemes including working with in house colleagues, appointing consultants or design teams where necessary to prove scheme viability for the Asset Manager. The role will involve; Scheme appraisal, Value Engineering schemes, pre-contract disciplines including feasibility and tendering exercises, working with legal teams, in-house and tenant led liaison and meetings, acting as Employers Agent or Contract Administrator and Contract Procurement.

To be considered for this position, you must be an experienced QS / Estimator.

This is a varied and challenging position that will lead to progression opportunities. The role is flexible with only 1-2 days per week required in the office. The organisation offers a very competitive package, including basic salary, car & bonus.
